

InvestBrasilUSA was created by Elizabeth Alderete with her vision of offering a personalized service to each client, with the intention of meeting all needs, whether it is a family home or an investment. Each customer offers a unique opportunity to serve, and our expert team is always ready to listen and suggest options. Our vision and our relationship do not end in closing a contract, but in creating a personal relationship that lasts forever.

Elizabeth was active with the purchase, sale, trading of residential and commercial real estate, property management, business and franchise acquisition.

Elizabeth is very respected by the market local broker, and highly qualified to work with national and international clients in search of buying and selling properties in Florida. It has strong partnerships and local connections and also has an active and active network of the best builders, investors, lawyers, mortgage brokers and contractors to ensure that your entire operation is successful.
